

# Individual Membership

The best way to join BABS is by becoming a member of a BABS Club. There are BABS Clubs based all over the UK, and joining one of these organisations will also give you membership of BABS. You can find your nearest BABS Club [here](#).

As an alternative, BABS has set up the Don Amos Club: a club designed to enable anyone to join BABS without being associated with any particular local club e.g. people who only sing in quartet and not chorus. You can join the Don Amos club, or renew your membership by clicking [here](#).

BABS membership costs £50 per year, or £12.50 per year for those aged 26 and under. Your membership gives you:

- Harmony Express digital magazine
- Harmony College discounted rates
- Music Online Discount
- Access to Making Music resources
- Member rates with the Barbershop Harmony Society
- Eligibility to enter BABS Contests, subject to the eligibility rules for each contest
